

How to Participate

JetBrains Academy × GeeksforGeeks

Register through the assigned campaign link, submit your details, track your progress and unlock milestone rewards.

CAMPAIGN DEADLINE: 30 SEPTEMBER 2026

Complete your registration before this date.

1 Use Your Campaign Link

Open the campaign (UTM) link shared with you.

2 Register

Complete the JetBrains Academy registration using the campaign link.

3 Submit the Google Form

After completing the registration, submit your registration details through the campaign Google Form. This will help us track and count your participation and ensure that you receive the eligible reward.

4 Verification

Your submitted registration is checked and verified before it is added to the campaign count.

5 Track Your Progress

Your verified registration count is updated in the progress sheet regularly.

Check the progress sheet daily to see your updated count and your next milestone.

 Campaign Deadline
30 September 2026

Top performers

The highest-performing may be shortlisted for an internship interview call with GeeksforGeeks HR, based on consistency, verified registrations, community engagement and overall impact.

Only verified registrations through your assigned link are counted. Deadline: 30 September 2026.
